This letter is your notification that the Schools and Libraries Division (SLD) of the Universal Service Administrative Company (USAC) has completed its review of requests regarding application funding requests that listed your company's Service Provider Identification Number (SPIN). A decision in this Revised Funding Commitment Decision letter (RFCDL) supersedes a decision in the FCDL you may have received for the Funding Request Number(s) (FRN) in the Funding Commitment Report (Report) that follows this letter.

The Report that follows this RFCDL provides you with the dollar value and other details of the funding commitments made for the FCC Form 471, Services Ordered and Certification Form identified in the attached Report. This Report may have been updated to reflect the new total amount of discount for an FRN. If FCC Form 486, Receipt of Service Confirmation and Children's Internet Protection Act and Technology Certification Form, has not already been submitted, your customer(s) should use this updated information when completing the Form 486. An explanation of the items in the Report is in the "Guide to USAC Letter Reports" posted in the Reference Area of our website.

This same information is being sent to your customer(s).

NEXT STEPS

- File FCC Form 498, Service Provider Identification Number and General Contact Information Form, if appropriate
- File FCC Form 473, Service Provider Annual Certification Form (SPAC), for the above Funding Year
- Work with your customer(s) to provide appropriate invoicing to USAC - Service Provider Invoice (Form 474) or Billed Entity Applicant Reimbursement (Form 472)

IMPLEMENTATION TIMEFRAME

Remember the deadlines for delivery and installation of non-recurring service. Non-recurring service for which funds are committed in this letter may be delivered and installed on or before September 30, 2018. Support for recurring services, however, is available only for services provided during the period July 01, 2012 through June 30, 2013.

Review any Contract Expiration Dates in the attached Report. Program rules allow contracts for non-recurring services to be extended in certain circumstances. If your contract will expire before non-recurring products/services are delivered or installed, your customer must extend the contract and report the new contract expiration date using an FCC Form 500, Funding Commitment Adjustment Request Form, before invoicing USAC.

Keep the FCC Form 486 deadline in mind. If some funding was approved on an FRN in an original FCDL, your customer(s) should use the date of the original FCDL to

determine the Form 486 deadline. If a new FRN was created for this Report or no funding was approved on an FRN in an original FCDL but funding has been approved in this letter, your customer(s) should use the date in this RFCDL to determine the Form 486 deadline. Form 486 must be received or postmarked no later than 120 days after the Service Start Date reported in the Form 486, or 120 days after the date of the FCDL that approves funding, whichever is later, for your customer(s) to receive discounts retroactively to the Service Start Date.

OBLIGATION TO PAY NON-DISCOUNT PORTION

Applicants are required to pay the non-discount portion of the cost of the products and/or services to their service provider(s). Service providers are required to bill applicants for the non-discount portion. The FCC stated that requiring

applicants to pay their share ensures efficiency and accountability in the program. If USAC is being billed via the FCC Form 474, the service provider must bill the applicant at the same time it bills USAC. If USAC is being billed via the FCC Form 472, the applicant pays the service provider in full (the non-discount plus discount portion) and then seeks reimbursement from USAC. If you are using a trade-in as part of your non-discount portion, please refer to our website for more information.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. USAC may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by USAC, the applicant, or the service provider. USAC, and other appropriate authorities (including but not limited to the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.
